## Project Purge

**From: HCI Team and Operations Committee**

### **“We’re growing and we need the room”**

In keeping with the Healthy Church Initiative recommendations and our efforts to make Grace the “Church of the Neighborhood” we need to start by cleaning out and reorganizing our building.

Our goal is to have all take responsibility for all items in their care, and to sort as follows:

- For immediate disposal
- For donation
- For return to owner (congregation)
- To keep for future use

### **Deadline: Monday, August 22**

The remainder of that week will be used to finish up and make the final purge. We will be looking for volunteers from each group as well as the congregation to help finish up. We may not get everything done, but we need to make a start.
