WHERE IS THE HOT WATER?

Grace Church's water heater died. A new 80 gallon replacement commercial water heater is on order and will essentially be identical to the one it is replacing. Because the heater is not a "home" model the cost for heater and installation is about \$4,000. Donations will be accepted. Your patience through the month of September will be appreciated with the new heater in place by October 1st, if everything goes as scheduled. Until then we will be using disposable cups, plates and flatware during Sunday fellowship times. Thanks.
