ANGER MANAGEMENT

In *Wishful Thinking*, Frederick Buechner writes, “Of the Seven Deadly Sins, anger is possibly the most fun. To lick your wounds, to smack your lips over grievances long past, to roll over your tongue the prospect of bitter confrontations still to come, to savor the last toothsome morsel of the pain you are given and the pain you are giving back — in many ways, it is a feast fit for a king. The chief drawback is what you are wolfing down is yourself. The skeleton at the feast is you.”
