Monday's will be programming for all ages as a one room curriculum called "Deep Blue"! We will do a quick story and craft and then end with park play and lunch. Moorhead Public Schools is providing lunch at 12:45 pm at Romkey Park. Our programming will be from 11:30 - 1 pm. It would be nice for parents to stay and participate, but if you are unable to stay, please pick your child up from the park at 1:00 pm. Please let Mackenzie know if you plan on attending.

Wednesday's youth entering 5th grade and older who are interested in doing various service projects for members of our church and the community please contact Mackenzie. We will meet at the church from 2:30 to 4:30 to discuss what type of jobs and projects we feel comfortable doing.

Parents, grandparents, and friends please let Mackenzie know if you would be willing to help on either Mondays or Wednesdays.

This new film uses the Twin Cities as a lens through which to view the national housing crisis, with options for what we can do next. We will discuss local (Northwest/West Central MN specific), state and federal housing issues/solutions, and opportunities to make your voice heard by participating in a collective "Our Homes, Our Voices" action to send to your members of Congress.
