**WINDOW HELP!**

Grace needs your helping hands! It's come time to scrape, glaze/caulk and paint the windows of the church. If you're not able to provide hands-on help-- donations toward supplies will help. This Sunday and in further communications you'll hear more about it. Right now we're building the list of "hands-on helpers & donors." (Scraping/prep-work is the immediate need and can start any-time). We want to be finished by July 31st. If you're able to help please put your name on the sign up sheet in the Narthex. If you just can't wait to go out and scrape...feel free.

**PICTURES**

Thank you to everyone who brought pictures of flowers to display on the table in the Narthex. Please take your pictures home to avoid getting damaged. There were several beautiful pictures of flowers.

**THE ORIGIN OF FATHER'S DAY**

One Sunday in 1909, Sonora Smart Dodd listened to a sermon honoring mothers. Her mother had died some years before, so her father had raised her by himself. Dodd wondered why there wasn't a day to honor fathers, so she arranged a tribute to her father at a church in Spokane, Washington. The date was June 19, 1910. Many people believe this was the beginning of Father's Day.

Another account holds that a West Virginia church held a tribute service for fathers in 1908, following a mine explosion that killed 360 men. Regardless of which story is correct, President Calvin Coolidge was the first president to designate a special day to honor fathers. In 1924, he proclaimed the third Sunday in June as Father's Day. Happy Father's Day!
