

“Faith of Our Mothers”

(tune #710 Blue Hymnal)

**”Faith of our mothers, living still
In cradle song and bedtime prayer;
In nursery lore and fireside love,
Thy presence still pervades the air:
Faith of our mothers, living faith!
We will be true to thee to death.**

**Faith of our mothers, loving faith,
Fount of our childhood's trust and grace,
Oh, may thy consecration prove
Source of a finer, nobler race:
Faith of our mothers, living faith,
We will be true to thee till death.**

**Faith of our mothers, guiding faith,
For youthful longing, youthful doubt,
How blurred our vision, blind our way,
Thy providential care without:
Faith of our mothers, guiding faith,
We will be true to thee till death.**

**Faith of our mothers, Christian faith,
Is truth beyond our stumbling creeds,
Still serve the home and save the Church,
And breathe thy spirit through our deeds:
Faith of our mothers, Christian faith!
We will be true to thee till death.**
