THANK OFFERING

Since 1881 members of UM Women and its predecessor organizations have had the opportunity to contribute to an offering response to God's grace. Some women drop a coin in a box daily as an expression of thankfulness. Others add coins and dollars in celebration of special occasions in their lives.

The World Thank Offering is a part of UM Women's Mission. Giving that supports national and international programs working with women, children and youth in the United States and around the world.

The World Thank Offering gives a face to our faith. It is hope and love in action. Please take one of the small jars on the tables in the Fellowship Hall.
