THANK YOU

I want to express what joy I share in the success of another Rollag event. An event it truly is. An event that involves many parts and people. From the people who rolled and cooked meatballs, the donut ladies, Stan who fixed the stoves, the cleaners, the donators, and all the workers who spent hours at Rollag, THANK YOU! I want everyone to know that it was a joy to see how everyone worked together to make this successful. There are always struggles with events like this, but what makes an event successful is how you overcome those struggles and unexpected situations. I believe that with the help of our friends at Christ the King, we overcame obstacles and frustrations to again be the best food stand there. As the story goes, 9 out of 10 customers voted us as the top food stand on Sunday. The one that didn't later died and we buried him down by the pond. We still have things to work on, but let's focus on this year's success. Thank you everyone. God bless. Del

WHERE IS THE HOT WATER?

Grace Church's water heater died. A new 80 gallon replacement commercial water heater is on order and will essentially be identical to the one it is replacing. Because the heater is not a "home" model the cost for heater and installation is about \$4,000. Donations will be accepted. Your patience through the month of September will be appreciated with the new heater in place by October 1st, if everything goes as scheduled. Until then we will be using disposable cups, plates and flatware during Sunday fellowship times. Thanks.
