## ONE SAINT'S GOAL

St. Therese, who lived in 19th-century France, was known for her thoughtfulness and genuine caring toward people. She always tried to act in a manner that reflected Christ.

St. Therese wrote the following about her intended lifestyle. "That shall be my life, to scatter flowers—to miss no single opportunity of making some small sacrifice, here by a smiling look, there by a kindly word, always doing the tiniest things right, and doing it for love."
