LET GO!

THE BACKPACKS

Much attention is being paid to the heavy backpacks kids now lug to school. My fifth-grader's backpack weighs nearly 20 pounds — more than one-quarter of her body weight!

This year I bought my kids backpacks with wheels to ease the muscle strain. Problem solved? Wrong. They continue lugging the packs on their backs, and I keep reminding them

to put the packs down and roll them.

I don't understand it — or do I? We adults carry heavy burdens, too. They pile up and weigh us down. The cumulative weight can be crushing. But we don't have to carry our troubles. Jesus tells us to let him shoulder the load (see Matthew 11:28). Jesus already took away our biggest burden by dying on the cross. So we can truly "Let go ... and let God." —Kari Myers
