“NEW” PIANO NEWS!

The piano in the sanctuary has served Grace well for many years thanks to the generosity of Del and Luann Larson. This piano is now nearly 80 years old and has reached the end of its useful life. We recognize the importance that music plays in the life of Grace, and with much discussion and prayer the Operations / Vision and Ministry Teams

have decided to begin the search for a “newer / used” sanctuary piano.

We will rely on the expertise of several individuals to guide us:

- Sharon Fangsrud is our pianist. Her opinion will carry considerable weight.
- Lee Horner has many years of experience in the music industry and has extensive knowledge about pianos, from technical quality and market values of a variety of brand names.
- The person who tunes our pianos has also offered to help us evaluate any instrument that we might consider for our sanctuary space.
- And the members of Grace UMC who will help with prayerful consideration and, of course, financial support.

We have set a budget of \$6000 to \$8000 for this project. We would like to start a Pledge List to help measure financial support for this project.

If you would like to make a pledge of financial support, please see Paul Anderson or Bob Hanna.

As we go forward the congregation will be kept informed.

If you have any questions, please feel free to visit with anyone on the leadership teams.
